DWA_03.5 Knowledge Check_DWA3.2

_____

1. User story(ies) in Gherkin syntax for the "+" button.

Feature: Increase the amount
  I want to be able to raise the quantity of an item as a user.

  I want to buy more than one of the same thing, thus

  Example: Increasing the amount by pressing the "+" button
    When I click the "+" button next to an item on the cart page, given that I have already added it, the item's quantity should rise by 1, and the final price should be changed to reflect this.

_____

2. User story(ies) in Gherkin syntax for the "-" button.

Feature: Decreasing the amount
  In order to update the contents of my cart, I as a user want to be able to reduce the number of items.

  Scenario: Using the "-" button to reduce the quantity
    When I click the "-" button next to an item while on the cart page and I have several of the same sort of item in my cart, the quantity of that item should reduce by 1 and the total price should be changed correspondingly.
